CAMPUS MINISTRY AT MONTANA TECH

AUGUST 2025

PRAY FOR—OUR STUDENT LEADERS TO BE
POWERFUL WITNESSES AS THEY WORK HARD TO
MEET AND WELCOME NEW STUDENTS!

“New Role as District Director”

Thank you for standing with us as we reach this “most strategic mission field in the world”! In April, I was voted into the role of District Director for Montana Chi Alpha. I am grateful for this opportunity to lead, care for, and serve the amazing campus missionaries in our state! Please pray for our family as I navigate this new assignment along with continuing to lead the work at Montana Tech! We are honored for the call to be in these roles and thankful for the dependance on God it is producing in our lives!

Celebrating the Times We Step Out of Our Comfort Zones to Magnify Jesus!

Nera Pelobello faithfully attended our worship service all last year. As we served together at **Glacier Bible Camp** this summer I came to understand how

PRAY FOR OUR MONTANA CHI ALPHA MISSIONARIES AS WE SEEK GOD'S DESIRE FOR POWERFUL
MINISTRY ON EACH OF OUR CAMPUSES!

Nera, a student at Tech sharing her story in front of nearly 500 students at GBC!

meaningful Chi Alpha has been to her faith journey. Through her friend Makenzie, Chi Alpha has been an instrumental part of her growing in her faith as she takes part in the Chi Alpha community! She is such a bold and kind witness of Jesus Christ. When I asked if she would share her story in front of hundreds of students at GBC **it was her passion and love for Jesus that prompted Nera to say “yes.”** I was so proud of her and thankful to be a part of a ministry aimed at equipping students like her to surrender to God as they make disciples! Pray for many more students to experience deep relationship with the King of Kings and grow in their devotion to God and what it means to step out of our comfort zone and contend for the faith!

Preparing to Welcome Students to MT Tech's Campus!

Thank you for praying with us as we stand with our **18 student leaders to welcome incoming freshman** to our campus. Pray we are effective in discipling towards maturity by abiding with Jesus, worshipping, praying, and **leading small groups** that will continue to point future generations to Jesus!
