

June 2025

Greetings. In our past newsletter I focused on our outreach in Omiling, South Sudan. Today I want to share the wonderful news of how things are going at our other mission base in Boma, South Sudan. Pastor Tom and Carey (our teacher/ women's ministry leader) are doing an amazing job.

Pastor Tom has made it his mission in life to reach as many people as he can for Jesus Christ. To that end he has faithfully led the church in Boma, and he has also been traveling a 15km walk to the village of Zooch where he is leading the church while training men in that church to lead it. We have seen many people come to Christ in this church because of his teaching and leadership there. Pastor Tom has also

Young Men's Bible Study

recently been able to get a young men's Bible study going in Boma! **MANY OF YOU WILL NOT UNDERSTAND WHAT A MIRACLE THIS IS!!!** We have tried for many years to reach the men of Boma with virtually no results. In fact, we all but gave up on the men and began to focus on the women there and have seen hundreds of women come to Christ. What a joy it is to share with you now that Pastor Tom has gotten several young men to now attend a Bible study focused on young men. This is the beginning of changing an entire area of South Sudan that has been very violent and unstable into a place where Jesus is Lord and His peace will reign.

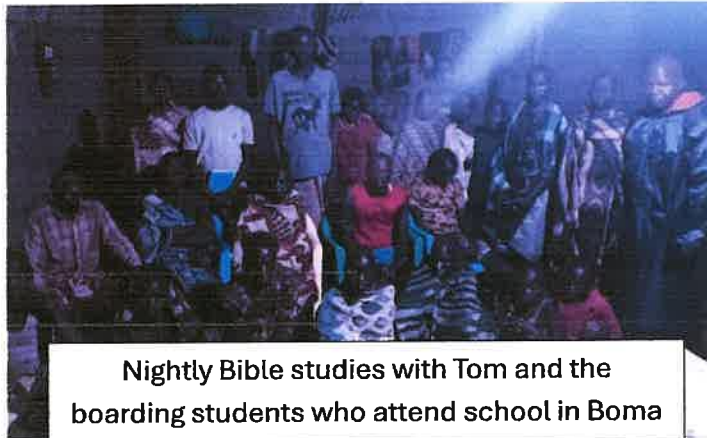

Carey and the children

Our head teacher and woman's minister Carey is also doing an amazing job. She has been guiding our school in Boma and teaching hundreds of kids at our school, plus being the women's minister at the women's outreach in Boma. She also travels with Pastor Tom to the village of Zooch to help reach the women

there. Now on top of all that she has started a children's church focused solely on little children. Carey has been responsible for helping lead hundreds of ladies to Jesus and now we are seeing children come to Christ. **PRAISE GOD!!!**

In all this I don't know how to lay out how difficult this battle has been! There have been missionaries off and on in the Boma area of South Sudan for many decades yet extremely few have come to Christ until the last couple years. God is truly bringing about a massive harvest of souls for the kingdom of God.

We, however, need your help to keep this all going. Fundraising is not easy in today's economy and our bills of running two mission outreaches in South Sudan and the multiple ministries they have is challenging. Also, we need prayers. My wife and I have both been working jobs to support us, and directing this organization, along with traveling a lot to fundraise to keep the ministry going and traveling to Africa. Our staff face constant challenges on the ground at the two mission bases, and of course they miss their families. It takes sacrifice and persistence to make this ministry run and be effective.

**WILL YOU PLEASE PRAY FOR US AND OUR STAFF AND ALSO HELP US FINANCIALLY??**
