Travel and New Teammates!

So much has happened since I last updated you and I am so excited to share about the last couple months with OMS. Let's dive right in!

Colombia and Ecuador Field Visits

Last month, I had to opportunity to travel with some of the OMS finance team to Colombia and Ecuador as part of a field visit and financial audit. This is the first time I have traveled to Latin America, or visited OMS fields outside of the Europe and Middle East region and I truly enjoyed meeting with our missionaries there and seeing first hand the ministry activities that I support through my role in Global Ministries finance.

First, the team traveled to Medellin, Colombia, where we met with missionaries and ministry partners including a visit to the Biblical Seminary in Colombia. Visiting the seminary was very special for me because it is the place where Jonathan's family first began serving with OMS over 40 years ago! A lot has changed in those years, but most of the structures on the seminary campus remain and I was able to stand on the front porch of the home where the Longs lived during their time there. More importantly through, I got to hear about the amazing ministry the seminary has with its many students - both in person and around the region through distance education. God continues to prepare young leaders for work in his kindgom in Colombia!

After a few days in Colombia, we traveled on to Loja, Ecuador, where we met with the field director and other OMS missionaries in that city. The team there showed us incredible hospitality and their heart for reaching the lost with the Gospel of Christ. We concluded our time in Loja with a dinner together with the missionaries. Finally, before we departed Ecuador, we got to make one fun stop at the equator! You will see in the photo below that I found my footing in both hemispheres.

New Finance Team Members

On October 1, I added a new title to my role - "supervisor" to two new regional treasurers. Global Ministries recognized the need to expand the support of our ministry teams in the area of finance and I was privileged to welcome Luis and Charlie to my team. The first week of the month, we met at OMS headquarters in Greenwood, Indiana, to begin training on the responsibilities they will have. Now they will be working remotely serving the four regions within OMS. I am very excited about their work so far, and look forward to supporting them further. This will also allow me to hand over some of the day to day finance tasks I was overseeing and focus more on finance needs at a global level.

Charlie will be oversee the Europe and the Middle East region as well as Africa.

Luis will oversee Latin America and the Carribean region, as well as Asia Pacific.

Please continue praying with us...

- Please pray for Charlie and Luis as they settle into their new roles and responsibilities. Pray that I would like them well
- Pray for the start of the budget season and my many responsibilities with global finance.
- Please pray also for continued financial provision for my support account.

We truly appreciate YOU, your prayers, and your support!

Blessings,
Corinne
(for Jonathan and the Kids, too!)
