

September 2026 Unfolding Faith Newsletter

Greetings to my friends in the Name of our Lord Jesus. As I write this, I am in awe of what God has done through us all—which includes you, our supporters. Ive been involved in missions in Africa for 10 years, and a few years ago we did not see the massive fruit we are seeing now.

Four years ago, we started an outreach and base in Omiling, South Sudan because we found out a tribe there (the Ofrika) had never heard the gospel. We didn't originally have the funds to do it, but we stepped out in faith and now we have 6 churches to this tribe. In the last year well over 400 have been saved and hundreds baptized. We have started a small farming program to teach the people how to feed themselves and are seeing huge success. We have a bush school there and over 300 kids come to be taught by our staff and hear the gospel. My mind is blown by how God has moved and the amazing number of souls who have given their lives to Him.

At our Boma mission base in South Sudan, we now have 4 churches in that area where we are ministering to multiple tribes. Some of these tribes have, for generations, hated each other and yet now we have joint worship services, and these sworn enemies are learning to love each other. Regularly, our pastor there reports that he has baptized a new believer.

However, we have a problem. At our Boma base we rotate pastors in yearly from Kenya. The previous pastor will go on home assignment for a year and then return for a year, etc. Pastor Tom, who is on home assignment in Kenya, has been busily sharing in local churches in his home area and awhile back a Mormon church that had no pastor asked him to come share at their gathering. He went, and to make a long story short, found their false doctrine and started correcting it. He has already led over 20 people to the real gospel of our Lord Jesus

Christ. We have rented a building thinking it would be big enough, but it's now too small—the congregation just keeps growing. We now need to rent a bigger building. So many people are leaving the false Mormon gospel and finding the real Jesus at

our church in Bukeme, Kenya. Pastor Tom keeps going through Bibles as he gives a Bible to new converts. This has stretched our already thin budget, but we can't say no when we are seeing God move and save souls. SO NOW WE NEED TO RAISE MORE FUNDS.

1. The new church in Kenya has people that are tithing but the people are poor and so we need to raise funds to cover this churches monthly expenses. (\$500 monthly)

2. Because of massive increases in fuel prices worldwide, and everything in South Sudan is imported, ministry expenses in South Sudan have jumped dramatically.

3. Seven of our church gatherings in South Sudan meet under trees, (See right) We need to build simple buildings so church can flourish even in the rainy season. It will cost us \$2500 each, so we need to raise \$17500 total.

We are always in need of money to keep all these ministries going. We are seeing a harvest of souls that frankly makes me think we are close to the return of our Lord Jesus. I watch world events and see the stage being set. We must gather as many souls for the kingdom as possible before time runs out. Will you please help? LET'S MAKE HEAVEN CROWDED.
