OCTOBER 2026

A Community of Believers On Mission With Jesus

I firmly believe that the backbone of our work on campus is our **student leader team**. I am incredibly grateful for the students who participate in our eight-week discipleship training class, complete an application, and choose to invest in Chi Alpha through their leadership. Each year, we have the privilege of working with an amazing group of missional living people! I believe our work at MT Tech is strengthening the body of Christ as we strive to be ambassadors of the Kingdom!

A Holy Fear of God

We are incredibly grateful for the partnership of churches across the state! In Butte, we have a strong relationship with Journey Church. Each year, Pastor Randy Lindgren graciously allows **Chi Alpha to lead the entire service**. We were honored to have our XA team lead worship, and our **student leaders formed the prayer team** that morning. I was also honored to preach a challenge on developing a "Holy Fear Toward God." Leaving that service, I felt greatly

PLEASE PRAY OVER OUR 3 DORMS ASKING GOD TO MOVE IN MIGHTY WAYS
AS OUR STUDENTS SEEK TO BE SALT AND LIGHT.

encouraged by the blessings of so many in our community who recognize the value of sending our team to the campus! ****Check out the service by looking for Journey Church Butte on facebook and look for Chi Alpha Sunday//September 27, 2026.****

Uncomfortable Conversations That Lead To Action

I am grateful for the discipleship process, especially when challenging conversations lead to positive change and godly living. Recently, I visited one of our students and encouraged him to establish boundaries in his dating relationship. Although he initially resisted the conversation, **he was deeply appreciative of how God guided us** through our meetings, providing him with truth and wisdom. It is an **honor to challenge our young people** in building a solid foundation for relationships that will ultimately result in fulfilling marriages in the future.
