Prayer Request from Cody & Mykaela Johnson

Hello all! Thank you for your continued prayers as Cody and I fundraise. This past weekend, we had the joy of participating in Global Cabinet meetings. We both walked away from the meetings feeling more encouraged, sharpened, and motivated. We love this ministry, and we're so grateful for how we get to help share it and participate in it! We're about 80% funded and getting closer every day. Cody is eager to start his role!

Cody continues to have occupational therapy on his finger. His range of motion is still limited, which can be discouraging, but we know we serve a God who heals. Our prayer is that God would restore full range of motion!

These past few months have been challenging. Various health issues have caused us to feel beaten down and discouraged. Even so, our marriage feels stronger than ever. As we cling to Jesus and lean on each other, we thank God for your continued prayers and love!

The devil is active, but God has already won. We rest in that truth.

God bless you!
Cody & Mykaela
